GENERAL INFORMATION

TIME: Saturday, March 18, 1972. Show at 9:00 A.M., Sale at 12:00 Noon

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U. S. 30, and U. S. 218. On paved roads between Cedar Rapids, and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.

2. Terms: Cash, unless arranged before the sale between seller and

buyer and clerk so notified.

3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are quaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.

4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.

 A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

7. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them night before the sale.

8. Auctioneer: Merrill Anderson, Broadlands, Illinois.

 Special Representatives: Wade Hauser, Jr., Wallaces Farmer; Bob Sherrand, St. Ansgar, Iowa; and Terry Schrage, Cedar Rapids.

10. Sale Manager: Allan A. Johnson, R. 1, Swisher, Iowa 52338. Phone: 848-6603.

11. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.

12. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.

13. A judging contest will be held in connection with the morning show,

beginning at 10:30 A.M. See page 29 for details.

14. Sale Manager, or others may be reached by phone on sale day by calling the Farm-Youth Building, Hawkeye Downs Fairgrounds, 319-364-9975.

We are extremely fortunate this year to secure the services of James Bryan, of Cannondale Farm, Red Wing, Minnesota, to serve as judge of our pre-sale show. This progressive young breeder has a long time background in the breeding of time background in the breeding of useful, practical Shorthorn cattle. His own use of the show ring, on the farm performance testing, and midwest bull test stations assure us that he will select the kind of cattle breeders and commercial cattlemen will appreciate.

ELKHORN ANN X. This daughter of Hi-Way Valiant, was recently named Champion Female of the 1972 National Western in Denver. She is a half sister to a bull in this sale, and her sire was used quite heavily by the McKinleys.

The Champion Shorthorn steer of the Jr. Show of the 1972 National Western was shown by Tracy McFarlane, of Fayette, Iowa. The McFarlanes have bought several head of cattle at previous Hawkeye Downs sales. This calf was the progeny of one of their purchases.

COMMENTS ABOUT THE OFFERING

At this stage, it appears to not be necessary to talk about the opportunities for the cow-calf business in the midwest, whether commercial or purebred. Demand is good for breeding stock and feeding cattle alike. Under these conditions, and with these prices, the time has never been more right to make quality improvement in a breeding program. When in the past have two 600# commercial steers been able to buy a better than average priced bull in a Hawkeve Downs sale? Or when have two bulls sold to commercial men at average Hawkeye Downs prices been able to purchase a sale topping bull or Champion, to go into a purebred breeding program? Never in the past nine sales have so many outstanding individuals been included in one offering. Never have so many bulls been entered which not only had production records, and performance data, but outstanding figures which will work herd improvement in nearly any crossbreeding or commercial operation. This offering includes the Grand Champion bull at the Wis. State Fair, a first place bull at the Minn. State Fair, a second place bull at the III. State Fair, a third place bull at the Chicago International, a half brother to the Grand Champion Female at Denver, a 3/4 brother to the Champion Shorthorn steer at the lowar State Fair, and two 3/4 brothers to the reserve champion female at the Waterloo Meat Animal Show, as well as many local and area show winners. There should be an unlimited supply of bulls for the purebred breeder as well as the commercial man. The genetic ability of this offering certainly has removed a good deal of the risk from any purchases made from this selection. The breeders in the Hawkeye Downs area should be complimented on bringing out a group of cattle like this for the buyer's appraisal. Take advantage of the opportunity offered March 18!

JUDGING CONTEST

The third Hawkeve Downs judging contest will be held during the pre-sale show, at 10:30 A.M. The contest will include three classes. The contest will be open to all 4-H and FFA members, and Jr. Shorthorn enthusiasts. There will be two age divisions, those youths 14 years and under as of Jan. 1. 1972, and those over 15 on or before Jan. 1. Prizes in each division will be as follows: \$25 purchase credit for 1st place. \$15 purchase credit for second, and \$10 purchase credit for third. These prizes plus any prizes won in our Sept. judging contest, and not used in that sale, may be used in this sale, There will also be a trophy given to the top team consisting of three members. A team may have a fourth member, with the best three scores being used as the team score. There will be no age separation for team members. All teams and individuals must be registered and ready to judge by 10:15 A.M. There will be individual awards to the first and second place judge in each age division, and ribbons to the first five individuals in each age group, as well as the first five teams

A NEW INNOVATION

For the first time in Hawkeve Downs history, purebred Shorthorn females will be offered to the buying public in groups. These females may or may not be halter broke, but will be the same top quality individuals that have been offered in the past. The producing ability of the females offered in past sales would take pages to write about. At least four of the bulls in this offering are sons of females purchased in previous Hawkeve Downs sales. The Grand Champion Steer at the 1972 National Western in Denver was sired by a bull purchased in dam at the previous sale. These are just a few examples. The females offered in the pens will be sold in groups, with the final bidder having the opportunity to take choice of as many head as he wants. Consequently, giving the buyer an opportunity to select groups of cattle of like breeding or carrying services to the same sire. Thus offering the opportunity for a uniform set of calves. The fact that these cattle need not be halter broke has encouraged some breeders to part with their top producing mature cows which are always a problem to fit and show. There will be some additional females entered in this pen division which are not cataloged at this time. It is our hope that this will encourage commercial people who are looking for some foundation stock, as well as the purebred man in search of some good bloodlines to infuse into his breeding program.

The 1971 March sale champion, and one of the two top selling bulls. Consigned by Eldon Miller, of Alta, Iowa. Certainly an example of the fine quality to be found at Hawkeye Downs sales.

SANGAMON GAMBLER

Having stood next to the champion at the Des Moines National Polled Congress, and sired by Sangamon Commando, this impressive individual has become a familiar sire in the past two or three Hawkeye Downs sales. The champion female in our Sept. 1970 sale, was sired by him, as well as several other top individuals. He is represented in this sale as the sire of lots 4, 13, 19 and 50

GLORIADALE SUPREME

The influence of this great breeding son of Clorindale Meteor 5th, continues to make his siring ability known through fine daughters within the breed. The dempsters were extremely successful with his offspring in various middle west sales and he has now returned to Canada to serve in the herd where he was bred. Lot 17 is one of his sons.

A full brother was top Iowa Polled Bull at Hawkeye Downs in Fall of 1967, another brother and half brother placed 2d and 3d, standing next to Reserve Champion at Hawkeye Downs 1 year ago. A maternal nephew and paternal half brother were 2d high Iowa Polled Bull at Hawkeye Downs in 1968. A son of his grandsire, V V Starry Archer 6th, was in the first Iowa Bull Test at Ames and was 3rd High Polled Bull in the sale.

HICKORIES CORNERSTONE

This great breeding old bull has probably sired more Hawkeye Downs Champions than any one bull in recent Hawkeye Downs history. His offspring are still extremely well accepted by the industry. This might be proved by the fact that one of his sons won his class at the Minn. State Fair, and stood 3rd at the 1971 International. LO REX KINROSS PREFECT 42D x3456-092 - A dark red bull with a star, good size for age and desirable length. Feet and legs move well. His dam is our best cow and was top female at the Vernes Farrell dispersion. She has proven to be a consistent producer of top calves. "The 42nd" is sired by the same great bull Kinross Prefect as Lo Rex Kinross Prefect 41st. A half brother topped the polled bulls at the Fall 1968 sale at Hawkeye Downs, and half brothers were 2d in class at Marshall Co. sale in June of 1969 and 1971. Off-spring of this breeding have been well received.

BROWNDALE JIM

This modern son of Browndale Fortress by a Scotsdale Kinross dam was purchased at the Omaha sale. He has continually sired bulls which have sold near the top at Hawkeye Downs, Omaha, and Gowrie sales the last several years. Their repeated acceptance by commercial men speaks extremely well for their usefulness. Lots 32 and 33 are his two sons entered in this sale.

CLIPPERS IMVEFT - A very classy young bull with lots of out come. He has a horned pedigree, but only because we cut some scurs off him without realizing it, but he should sire some polled calves. At 258 days he weighed 638 lbs. and he is not a fat calf.

FFMAIFS

GLORIADALE ROYAL PASSPORT

By Gloriadale Bonapart he combines the blood of Gloridale Meteor 5th and Constellation of Bapton, both AAA, His strong polled pedigree would be an asset in any Shorthorn or Polled Shorthorn herd. Gloriadale calls him the most popular yearling bull they have ever raised, and accordingly has retained a semen interest. He is the service sire of lots 40, 42, & 44.

ROYAL VALIANT

Sired by Valiant, he was purchased in the 1971 Brandon bull sale by Lloyd Burr & Son, to continue their fine breeding program. He was selected from one of the most popular consignments to that great Canadian sale. Since arriving here in lowa, he has been acclaimed by several top cattlemen as being a truly modern beef bull with great scale and muscle. His offspring should be a real asset to the Shorthorn business in the middle west. This sale will be the first opportunity to purchase his services through Lots 66, 67 and 68.
